

Program Overview

Monday October 17, 2016

- 9.30 h Opening of Registrations
- 10.00 - 12.30 h **ESTIV-EURL ECVAM Pre-Congress Workshop**
Moving forward in carcinogenicity assessment
- 14.00 – 14.15 h Welcome address
- 14.15 – 15.15 h **Keynote lecture**
Dr. Dominique Lison
Catholic University of Louvain, Louvain, Belgium
- 15.15 – 16.00 h **Björn Ekwall Memorial Award lecture and prize ceremony**
Pr. Vera Rogiers
Vrije Universiteit Brussel, Belgium
- 16.00 -18.30 h **Session 1: New developments in cell bioengineering and self assembly**
Invited speaker: **Pr. Sophie Lelièvre**
Purdue University College of Veterinary Medicine, Indiana, USA
- 18.30 - 20.00 h Welcome reception

Tuesday October 18, 2016

- 08.30 -10.30 h **Session 2: Extrapolation dose, modeling and biodistribution**
Invited speaker: **Dr. Emanuela Testai**
Istituto Superiore di Sanità (ISS), Rome, Italy
- 10.30 - 11.00 h Coffee break and Poster viewing
- 11.00 - 12.30 h **Session 3-I: Systemic toxicity I**
Invited speaker: **Dr. Gladys Ouédraogo**
L'Oréal, Paris, France
- 12.30 -14.00 h Lunch and Poster viewing
- 14.00 -15.00 h **Student session 1: Young speaker session**
- 15.00 – 16.30 h **Session 3-II: Systemic toxicity II**
Invited speaker: **Dr. Magda Chlebus**
EFPIA, Brussels, Belgium
- 16.30- 17.00 h Coffee break and Poster viewing
- 17.00-19.00 h **Session 4: Endocrine disruptors**
Invited speaker: **Dr. Jean Pierre Cravedi**
INRA, Toulouse, France

Wednesday October 19, 2016

- 08.30 -10.30 h **Session 5:** Biopharmaceuticals
Invited speaker: **Pr. Marc Pallardy**
University Paris Sud, France
- 10.30 -11.00 h Coffee break and poster viewing
- 11.00 - 12.30 h **Session 6:** Emerging technologies for *in vitro* tissue/organ formation and toxicity testing
Invited speaker: **Dr. Reyk Horland**
Technical University of Berlin, Germany
- 12.30 -13.30 h Lunch and poster viewing
- 13.30 - 14.30 h **Sponsors session**
- 14.30 -15.30 h **Debate session:** Application of IATA in a regulatory context: prescriptiveness versus flexibility and cost versus coverage
Pr. Maurice Whelan, Systems Toxicology Unit, IHCP, EC-JRC, Ispra, Italy
Dr. Robert Landsiedel, BASF, Germany
- 15.30 – 16.30 **ESTIV/CAAT session** on Good Cell Culture Practices
- 16.30 -17.00 h ESTIV General Assembly
French Society of Toxicology General Assembly
- 17.00 -18.30 h **Student session 2:** Job opportunities and career exploration
- 19.00 h Congress dinner

Thursday October 20, 2016

- 08.30-10.30 h **Session 7:** Regulatory updates
Invited speaker: **Dr. Anne Gourmelon**
OECD, Paris, France
- 10.30-11.00 h Coffee break and poster viewing
- 11.00-12.30 h **Session 8:** Mixtures
Invited speaker: **Dr. Stéphanie Bopp**
European Commission Joint Research Center, Ispra, Italy
- 12.30- 13.00 h **Closing session**
- 14.00- 19.00 h **Post-Congress Workshop:** Practical Training in *In Vitro* Methods for Dermal, Ocular, Lung and Liver Toxicity Testing (Theoretical session including the Developmental Toxicity model in Convention Center, 20 places available)

Friday October 21, 2016

- 8.30- 16.00 h **Post-Congress Workshop:** Practical Training in *In Vitro* Methods for Dermal, Ocular, Lung and Liver Toxicity Testing (Continued)

(hosted by Bayer CropScience in Sophia Antipolis, 20 places available)
