

**Société
de Pathologie**

**Française
Toxicologique**

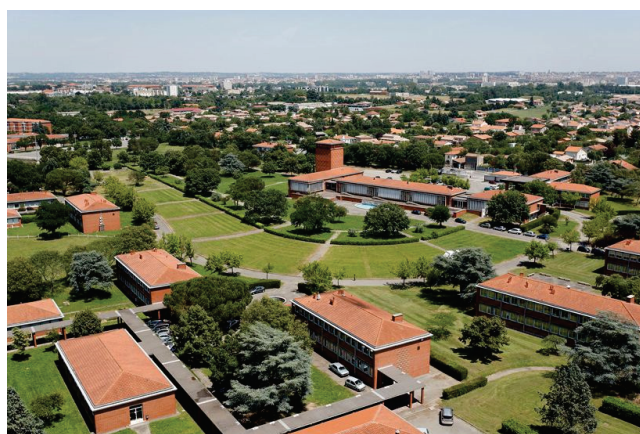

Réunion scientifique et Assemblée Générale Annuelle
Annual scientific meeting and General Assembly

Ecole Nationale Vétérinaire de Toulouse, France – 19-20 mai 2022
National Veterinary School of Toulouse, France – 19-20 May 2022

**L'évaluation non clinique des dispositifs médicaux : état de l'art,
changements récents de réglementation et exemples inspirants**

***Nonclinical assessment of Medical Devices: State of the art, re-
cent regulation changes and inspiring examples from a
pathologist's perspective***

Société Française de Pathologie Toxicologique

Program and information (Presentations will be held in English)

Jeudi 19 Mai 2022/Thursday 19th May 2022

10:30 – 11:00 *Welcome coffee*

11:00 – 11:15 **Welcome introduction speech**
Pierre Sans and Isabelle Raymond-Letron

11:15 – 11:45 **European Medical device regulation enforcement, what's new for nonclinical safety assessment?**
[Justine Michelat](#) (Albahdes, France)

IATP MARONPOT GUEST LECTURE

11:45 – 12:30

The scientific value of histopathological evaluation during the nonclinical safety assessment of medical devices

[Serge Rousselle](#) (StageBio, USA)

Sponsored by IATP and The Telikicherla Higher Education Foundation

12:30 – 13:45 **Lunch**

13:45 – 14:45 **The medical device pathologist and the ISO norms: are they biocompatible? Incl. digital slide show on the topic**
[Catherine Botteron](#) (NAMSA, France)

14:45 – 15:45 **In the heart of medical device pathological evaluation. Incl. digital slide show on the topic**
[Laurence Fiette](#) (IMMR, France)

15:45 – 16:15 **Coffee Break**

16:15 – 17:15 **Implant bone pathology: where do we stand in the mechanisms governing bone healing? Incl. digital slide show on the topic**
[Antoine Alves](#) (NAMSA, France)

Société Française de Pathologie Toxicologique

17:15 – 17:30	Sponsor commercial presentation Anne-Florence Hachet , Palm'Data, GLP archive company based in Sophia Antipolis, communicating on its archive services - ambient, refrigerated, frozen, and ultra-low storage)
17:30 – 17:45	Short break
17:45 – 19:15	SFPT General Assembly (for members only, in french)
20:00 – 23:00	Friendly dinner <i>Autour d'un bon repas/Time to enjoy good food & company</i>

Vendredi 20 Mai 2020/Friday 20th May 2022

08:30 – 09:00	<i>Welcome coffee</i>
09:00 – 09:45	Inspiring examples: medical devices for ocular diseases Helen Booter (Novartis, Switzerland)
09:45 – 10:15	Digital Slide Show on ocular medical devices Elodie Drevon-Gaillot (Charles River Lyon, France)
10:15 – 10:30	Sponsor commercial presentation
10:30 – 11:00	Coffee Break
11:00 – 11:45	3D bioprinting of medical devices and human tissues Pierre Layrolle (INSERM, Toulouse, France)
11:45 – 12:45	Preclinical safety study of a combined therapeutic bone wound dressing for osteoarticular regeneration. <i>Incl. digital slide show on the topic</i> Nadia Jessel (INSERM, Strasbourg, France)
12:45 – 13:00	Closing remarks
13:00 – 14:00	Lunch and Farewell

Société Française de Pathologie Toxicologique

INFORMATIONS PRATIQUES / DETAILED INFORMATION

Organisé par / Organized by

The French Society of Toxicologic Pathology on the site of l'Ecole Nationale Vétérinaire de Toulouse, France.

Inscription / How to register

Before the **29th, April 2022**

Please fill the separate registration form in and send it back to the local organizer with copy for local assistant. All registrations will be acknowledged to confirm attendance or position on the waiting list.

In order to receive all in the best conditions, all participants including sponsors and residents are asked to complete a registration form.

Frais d'inscription / Registration fee

Registration fees include lunches and coffee breaks

Residents in pathology (France) will be exempt from registration fees. The SFPT board also decided to offer the Dinner meal to residents in pathology.

	Meeting	Dinner (Optional)	Total
Residents in pathology	Free	Offered by SFPT	-
SFPT Members	80	50	130
Non-Members	120	50	170

Site access

ENVT website: <http://www.envt.fr/menu-og-33/acc%C3%A8s>

By car:

A parking allows you to park your vehicle safely on the ENVT site.

- Take the west ring road, exit 29 « Purpan » (see map). Follow the direction « Purpan » until the roundabout of « Place Baylac » in front of the entrance of the hospital.
- Take the way « Route de Bayonne » in the direction of the « Carrefour shopping center ».
- After passing over the ring road, take the first left « chemin des Capelles ». The ENVT site is located 500m on your right.
- ENVT address : 23, chemin des capelles, 31076 TOULOUSE.
- GPS information : 43°35'48.6"N 1°22'58.9"E

By plane:

If you come by car from Toulouse-Blagnac Airport:

- From the airport take the 4-lane towards Toulouse and join exit 1 near entrance No 29 of the west ring road. (See map)
- To do this, leave the first indication downtown, continue and take the second indication downtown associated with the direction « Purpan ».
- The city center direction is connected to a highway ramp. Stay in the right lane and take exit No 1 (downtown « Purpan »).
- At the first roundabout, then at the second always follow the direction « Purpan ».
- The third roundabout is at « Place Baylac » in front of the entrance to the Hospital.
- Take the way « Route de Bayonne » in the direction of the « Carrefour shopping center ».
- After passing over the ring road, take the first left « chemin des Capelles ». The ENVT site is located 500m on your right.

If you come by public transportation from Toulouse-Blagnac Airport

- Take tramway T2, get off at the station « Ancely »
- Take bus 46 line at the station « Pelletier-Purpan » in direction of bus station « Arènes » and get off at the bus station « Ecole Vétérinaire ».

Société Française de Pathologie Toxicologique

By train (TER)

- Train line « Arènes - Colomiers », take train (TER) at the station « Arènes ». You must be sure that « Lardenne » station is served because not all trains stop there.
- Get off at the station « Capelles ». This line is in service from 6:00 a.m. to 9:40 p.m. every half hour on average.

More informations on SNCF.fr

By Public transportation (Tramway/bus) from downtown

- Access by Tramway from Toulouse downtown, station « Palais de Justice »
- Take Tramway, line T1 « Aéroconstellation » or T2 « Aéroport » and get off at station « Ancely » or « Arènes Romaines ».
- Take bus line 46 at the station « Pelletier-Purpan » in direction of bus station « Arènes » and get off at the bus station « Ecole Vétérinaire ».

By Public transportation (bus/subway) from downtown

- Take subway-line A toward the station « Basso Cambo » until the station « Arènes ».
- Take bus line 46 at the station « Pelletier-Purpan » in direction of bus station « Arènes » and get off at the bus station « Ecole Vétérinaire ».
